RAILROADS

AAR Intermodal Job Code Photo Glossary

Intermodal Operations Committee

Effective January 1, 2017

Association of American Railroads

Safety and Operations
425 Third Street SW
Washington, DC 20024

Location, Condition, and Why Made code details listed for each component illustrate which codes are applicable to a specific Job Code. However, the AAR Intermodal Interchange Rules, Appendix F, "Complete Matrix," must be utilized to determine which combinations of Location, Condition, and Why Made codes are valid for each Job Code.
